Facts about accommodation:

- 5 bunk-bed rooms with 2 beds each
- 3 apartments with capacity for a maximum of 3-4 persons (one double and two single beds)
- lodging in the village of Huinay is possible
- During peak season room-sharing within groups might be necessary.
- Housing on the station exempts bench fees. To enhance communication between scientists it is desired that the meal plan of the station is taken.

Payment

Due to our very remote site, we can not accept credit-cards and/or traveller-cheques, so please bring as much **cash money**; as you think you will need during your stay. Chilean Pesos are the preferred currency, but in exceptional cases we might also accept Euro, US Dollars or Argentinean Pesos (please check before arrival).
